

# Lawn Master

## Seed Blend

USE	SOWING RATE	BENEFITS	BLEND
Ornamental lawns	25-45 (g/m <sup>2</sup> )	Very fine texture	50% Creeping red fescue
Fescue greens		High drought tolerance	50% Chewings fescue
Fescue tees		Low inputs	

LAWN MASTER is a blend that requires low inputs, has high drought and salt tolerance and a very fine ornamental look. The blend consists of two certified fine fescues that look great and perform well.
